WHAT'S BEEN HAPPENING

This term we have launched our TK Big Skip Challenge. This is part of a national campaign led by Dairy Farmers in collaboration with TeamKids and is aiming to tackle rising screen time in children by encouraging more active play.

By embedding opportunities for skipping as part of our daily routine, the service has observed increased levels of physical activity, and fostering development in children's social and emotional wellbeing. Children demonstrate their resilience by working towards achieving new skipping skills.

Further to this, children have also voted on their club of choice for this term, being 'Cooking Club' which will be facilitated weekly until Week 9, on Wednesdays After School Care. From cooking cultural dishes, to learning about healthy eating, there's something new to learn for everyone.

MOTHER'S DAY

On Friday 8th May 2026, we welcomed our Mums to a Mother's Day Breakfast in celebration of their importance in our lives. Thank you for those who attended - it was wonderful having the opportunity to treat our special mums to a slow morning with delicious treats and connecting through conversation.
